Golf Course Maintenance Schedule:

August 6 – Greens sanded (indicated on schedule with light green shading)

Explanation of New Game

PICK YOUR PRO: By Tuesday the week of the tournament, each PGWGC golfer will choose a participant in that tournament to be her partner. The PGWGC golfer's net score will be added to her "partner's" Thursday gross score to obtain the team total. (AT&T, Masters and LPGA OPEN)

Professional Golf Schedule:

AT&T Feb 4 -10

[LPGA Open June 1-6 \(Olympic Club\)](#)

[3rd U.S. Senior Women's Open Championship Aug. 19-22](#)

New Hole #17 Rafters Club (A group of ducks is called a "raft")

Beginning in January, please report on your group's master score card, a "R" next to your name when your golf ball goes into the pond. Quarterly drawing for one sleeve of golf balls. April/July/September/January.

Chip Ins

We will track chip ins this year and award a player who has the most chip ins from January through October.

Mark your scorecard to indicate a chip in.

Covid Adjustments

No starter or scorer.

No three putt collection.

Email invitations will be sent one week prior to play. Tee times are limited and will be assigned on a first come/first served basis.

Pairings and Tee Times will be emailed to players.

2021 Play Day Scorecards

Two Master Scorecards (Reason supporting two master scorecards is the need to confirm that the scores are accurate. One benefit is that more people will be learning how to keep the scorecards.)

Each person in a group will keep a scorecard.

Two players will keep a master scorecard containing the scores for all players in their group.

The other players not keeping the master scorecard will keep their own scorecard.

Scorecards should be readable and scores recorded accurately.

After the round, the players will verbally review the scores (hole by hole) with the two Master Score Keepers and come to an agreement. (Attesting that their scores are accurate.)

The group will designate one of the Master Scorecards as the official card for the group, the scorekeeper will sign, date and put the initials of the other master scorekeeper on the bottom of the official master scorecard. Then she will email that card to the Tournament Chair.

All players will keep their cards until further notice after play and post their own scores before the end of the day.
