Section 6. Tournament Director

The Tournament Director is responsible for overseeing all aspects of tournament competition. Utilizing a web based communication channel, communicating to all Members, and organizing all activities and details implicitly involved with each tournament throughout the season.

A. Tournament Schedule

1. Meet with the PG Golf Links Pro Shop staff and establish available dates and tee times for the annual tournament schedule. Traditionally there are 36 tournaments that are played on the 1st and 3rd Thursdays of each month and the alternative Tuesday during the 2nd week of each month. The 14 tee times given to the Seniors have typically been between 7:40-9:50 AM.
2. Work with a committee (usually the Directors of Awards and Pairings/Scorecards) to determine the various formats for the annual golf tournaments. Selecting formats is typically based on interest from the membership and the ability to organize and score. (Note: some formats have been dropped from the schedule because they're too hard for members to find partners, etc. or the difficulty in interpreting the scorecards and to award money.)
3. The Schedule Committee meets in the early part of September to discuss any changes to the previous schedule, evaluating member's interests and difficulty in organizing the various formats. This work is completed no later than mid-September so they can send a draft to the Board of Directors for final evaluation.
4. The new schedule will be presented to the PGSMGC membership at the Fall Scramble/BBQ during the first tournament in October. An email copy will be sent in early October to the entire membership for their files. Copies of the schedule are also posted on the PGSMGC's Bulletin Board in the Men's Locker room and the binder in the PG Golf Links Pro Shop.

B. Tournament Day

1. Work with the golf course staff to establish course set up for each tournament including tee, pin placements as well as any special drop areas, ground under repairs, etc. When the maintenance staff has not complied with these requests, it is permissible for either the Tournament Director or his designee to set up the course as directed. Often the Tournament Director or his designee will play in the first group of the tournament to make sure the tees are in the appropriate location. (All these duties are authorized by NCGA guidelines.)
2. When there are irregular conditions on the golf course (i.e., excessive water, mud etc.) creating unplayable lies, the Tournament Director will determine how the course will be played. Lift, clean and place to the nearest point of relief may be considered on one or all

- the holes for that day's tournament. Communicate that information to the players prior to play with signage on the counter in the PG Golf Links Pro Shop.
3. Cancel the "official" tournament if weather or golf course conditions merit that decision.
 4. Work with PG Golf Links Pro Shop staff in preparing for the day's tournament (i.e., Sign-up sheets for next eligible tournaments, scorecards ready, entry fee envelop, any misc. messages.)

C. Rules

1. Communicate to the PGSMGC membership all golf rules, guidelines and considerations for tournament play via emails at the beginning and throughout the season. Primary messages include but are not limited to: a) knowing the USGA Rules of Golf, b) being respectful of the 4:10 Pace of Play, c) signing scorecards and reporting finish time after each round, d) calling the Pro Shop if their playing status changes, e) arriving 20-30 minutes prior to respective tee time to check-in.
2. Provide PGSMGC members with Rules Seminars conducted by the NCGA.

D. Binder

1. Update various information in the PGSMGC Binder located in the PG Golf Links Pro Shop. Tabs in the Binder include: Tournament Schedule, Player Handicaps, Tournament Rules, Tournament Formats, Applications, Membership Roster, Miscellaneous and Board of Directors.
2. Provide three Tournament sign-up sheets for each month with the proper format design.
 - a. Mixer sign-up sheets with Early, Middle and Late blocks where Members are mixed with other players to determine the foursomes.
 - b. Open sign-up sheets where players can recruit their own foursome to participate
 - c. Open sign-up sheets that require having a partner before a tee time can be secured.

E. Miscellaneous

1. In the absence of the Director of Pairings and Scorecards, make pairings, email to the Membership and make out scorecards for tournament day.
2. In the absence of the Director of Awards, pick up scorecards, determine winners and assign awards for the tournament.
3. Solicit Members feedback on future improvements, listen and act on questions, concerns, ideas and complaints. Update Board of Directors of membership feedback.
4. Submit and update the Board of Directors pictures and information on the Pacific Grove Golf Links web page as well as the PGSMGC bulletin board.
5. Provide input and guidance on annual fees and entry fee costs
6. Attend required Board Meetings as scheduled.
7. Set an example of participation by playing in as many tournaments as possible.

Section 7. Handicap Director

The Handicap Director is responsible for maintaining the handicaps for all PGSMGC members. He is also responsible for the administration of the bi-annual Eclectic tournaments and assists with the

pairings for Special Events i.e. Member-Guest tournaments and the bi-annual Scramble/BBQ tournaments.

A. Assign PGSMGC handicaps for new members

1. New members **with a current USGA Handicap Index** will compete for awards in the PGSMGC tournaments according to their USGA Handicap Index until they have completed four PGSMGC “postable” rounds and are assigned a PGSMGC handicap.
2. New members **without a current USGA Handicap Index** must complete two (2) PGSMGC “postable” rounds to establish a PGSMGC handicap before they can compete for tournament awards. Tournament entry fees would not be required of the new member until he has an established PGSMGC handicap.

B. Maintain the PGSMGC club handicap system.

This system generates monthly handicaps for PGSMGC members that are to be used for all PGSMGC tournaments. The handicaps are based on the lowest four of the last eight total 18 hole gross scores minus any adjustments of any hole scores above two over par for handicaps 20 and below, and any scores above three over par on par 4 and par 5 holes and above two over par on par 3 holes for handicaps over 20. The monthly handicaps are the result of the calculation of the average of the resulting four lowest scores minus the course rating of 66.8 and multiplied by 0.96. The resulting number is half-adjusted to a whole number. No member may carry a handicap over 36.

The following describes the Handicap Process:

1. The score cards for a tournament are received from the Director of Awards.
2. The gross scores are entered into an Excel spreadsheet (HDCPHST) that performs the adjustment calculation referred to above and records the adjusted score and date.
3. At the end of the month all the tournament scores for that month are copied to an Excel spreadsheet (HANDICAP_END_MMM_YY). This spreadsheet is sorted into tournament date within member name. The spreadsheet is scanned for members with more than 8 scores recorded and the oldest scores in excess of 8 are deleted. The spreadsheet is then sorted by adjusted score within member name. The resulting handicap for each member is recorded within the spreadsheet.
4. The Handicap Director checks the Monthly Handicap List for any anomalies and the prints the list for display on the Senior bulletin board and inclusion in the Senior binder in the Pro Shop. An email with the new handicaps is sent to each Board member.
5. Periodically the master HANDICAP_END_MMM_YY has to be modified for new members or retirement of members. For retiring members their handicap history is archived within the master file. For new members a handicap is established using GHIN numbers where available or the submission by the new member of score cards from recent rounds played.

C. Administration of the Eclectic Tournaments.

The following describes the process for Eclectic Tournaments:

1. Collect the list of eclectic participants in the first round from the Pro Shop showing the fees collected. Additional entries may be received for later rounds and this information

must be added.

2. Create an Excel ECLECTIC spreadsheet with the participants' names, their handicaps and the dates of the three rounds scheduled. (Note that the handicap published for the first round of the tournament will be used for all three rounds even though the participants' handicaps may have changed for the second and/or third round since the tournament overlaps two monthly periods). Split the field into two flights with approximately the same number of participants.
3. Collect the scorecards for all participants after each round and record the gross scores for each hole in the spreadsheet. The status of the tournament is posted on the PGSMGC bulletin board after each round.
4. After the three rounds are completed determine those participants eligible for a prize – this will be about half of the participants in each flight. The highest scores that qualify for a prize should be awarded an amount approximately equal to the entry fee. Prize amounts will be increased as the scores reduce. The total amount of prizes must equal the amount of cash received in the Pro Shop for the tournament.
5. Post the results and awards on the notice board and give the list of prize money to the Pro Shop.

D. Assistance for Special Events

The following describes the process for the Member-Guest Tournament and the bi-annual Scramble/BBQ tournaments:

1. Create a sign-up sheet to be placed in the PG Golf Links Pro Shop.
2. Collect the entry forms/member sign-ups from the PG Golf Links Pro Shop.
3. Review entries and contact guests or hosts of guests where handicap is not indicated and resolve issues so that correct handicapping can be used (member-guest tournament only).
4. Since these tournaments are invariably shotgun starts, ascertain from the Head Pro which holes he wants us to use for the tournament.
5. For member-guest tournament allocate member-guest teams to starting holes, attempting to respect requests for pairing up teams if such a request has been made. For bi-annual Scramble/BBQ tournament build teams on an A, B, C, D player basis and attempt to make the handicap for all foursomes approximately the same and allocate starting holes.
6. Print up hole allocation announcement and alphabetical list of players with starting hole information. Post this information at the PG Golf Links Pro Shop and Club House early in morning of tournament.
7. For member-guest tournament assist in the checking-in process before the start of the tournament. Assist in the checking of scorecards and posting of results in the PG Golf Links Club House.
